Dear Clerk:

Please find enclosed a letter erroneously claiming that I missed an appearance for 2 summonses received by Delaware State Police trooper Vincent or Nicholas Terranova, and that the court *sua sponte* has re-scheduled me to appear on November 24th. I did not miss any such date, and have previously informed this court by certified letter that Trooper Terranova's traffic tickets ought to be consolidated with the 5 disorderly persons offenses for which this court improperly issued an arrest warrant, a summons be issued for the latter charges, and a new court appearance scheduled. I live 210 miles from this court, the traffic as well as the criminal offenses are minor, cannot survive a vigorous defense, and being compelled to drive 210 miles would be both burdensome and onerous. Consequently, I respectfully again ask for the requested relief.

Thank you.

Yours,

Dennis Shipman
